

# Omnifix® Elastic self adhesive fabric

## For secure fixation of dressings and/or invasive devices

### Soft, elastic fabric

- Provides secure dressing retention including body parts that are difficult to dress
- Allows air and moisture to permeate
- Can remain on skin during x-rays

### Hypoallergenic synthetic adhesive

- Prevents irritation of surrounding skin
- Can be removed without pain or residue

### Printed grid on release paper

- Measures the correct amount of dressing required
